

REQUEST FOR THE CAPTURE OF OFFLINE CREDIT CARD INFORMATION

Due to the sensitive nature of accepting offline credit cards and CISP/PCI regulations, we require the following information in order to enable the capture of offline credit card information.

Please print this form, fill in the required merchant account information, sign and date the form and fax it to PrestoBiz at 1-800-830-1282

Required details about your merchant account:

Name of your merchant account processor:	
Your Business Name (DBA) on the merchant account:	
Account number or "merchant ID" with your merchant account processor:	
Phone number to contact customer service for your merchant account processor:	

Because we are a PCI compliant provider, we request that you also follow the recommendations and policies set forth by CISP/PCI. Including:

- Immediately "mask" the credit card information on orders after payment authorization
- Do not store any physical copy of credit card information

I agree that the information provide above is accurate and I accept the responsibility of capturing credit card information in an "offline" mode. I will follow the standards and policies set forth by CISP/PCI.
